

**CANDIDATE FOR GOVERNING BOARD MEMBER
SNOWLINE JOINT UNIFIED SCHOOL DISTRICT**

NAME: DEBBIE MCEWEN

AGE: 47

OCCUPATION: Incumbent

My husband and I have made Wrightwood our home for the last 16 years. As a parent of two children currently attending schools in the Snowline District, I have a vested interest in not only the quality of education that is provided for my own children but also for all children in our community.

The Snowline School District has emerged as an educational leader in our area. They have achieved this by wisely utilizing its finances and resources. With ever-increasing enrollment, the district will be forced to make some very strategic decisions regarding programs and facilities. I would like to continue to help formulate those solutions. I will also continue to do my best to ensure that every student has the opportunity to succeed and be prepared for the ever-changing world in which we live.

There is always a need for improved communications during challenging times. As a current Board Member, I have always encouraged community feedback and pledge to continue to do so. I welcome your phone calls to voice your suggestions or concerns (760) 249-4026.

A vote for Debbie McEwen is a vote for integrity and commitment to our community!
